Parental/Guardian Consent

I, being the parent/guardian of the child identified overleaf, have read the information on this form and in the following notes and give consent for my child to take part in the gate/coaching sessions conducted in a traffic-free environment (eg not on the public highway). I understand and agree that my son/daughter/child in my care, participates in coaching sessions under the instruction of British Cycling coaches entirely at his/her own risk. I have considered the nature of such sessions and have discussed them with my son/daughter/child in my care. I am satisfied that they are sufficiently responsible and competent to assume full and entire responsibility for their own safety under the supervision of a British Cycling coach.

Notes

- You are giving consent for the child named overleaf to participate in gate/coaching sessions conducted in a traffic-free environment. However, you should note that, in some instances, it might be necessary for the coach to move riders from one location to another, which may require limited use of the public highway. In these instances, the riders will be under the direct supervision of the coach and it will not be part of the coaching activity. No coaching activities will be conducted on the public highway.
- It is part of the British Cycling Code of Conduct to ensure that reasonable steps are taken to establish a safe environment where young riders can enjoy developing their cycling skills.
- Children 12 years and under need to be supervised by a responsible adult during coaching and gate sessions.
- It is the parent's/guardian's responsibility to ensure that his/her child's bike is in a safe condition to ride. All riders must wear a cycling helmet at all times during the gate/coaching session.
- The club have the right to expel any rider who is deemed not to be behaving in an appropriate manner or following instructions by club officials.

Please ensure you make a note of any medical conditions your child has or you feel the club should know about overleaf. If you have any concerns about your child participating in any form of physical activity, please consult your GP before giving permission for your child to take part in the gate/coaching sessions.
